ARJAN SPANNENBURG

ESTRANGED - CHRISTIAN

Year: 2022

A poetic exploration of the internal schism between inherited prejudice and the budding truth of the self, capturing the moment of turning away from a toxic narrative.

SUMMARY

A poetic exploration of the internal schism between inherited prejudice and the budding truth of the self, capturing the moment of turning away from a toxic narrative. Navigating the shadows of paternal hostility In this poignant chapter of the ESTRANGED series, ARJAN SPANNENBURG investigates the psychological impact of aggressive domestic heteronormativity. Through the portrait of CHRISTIAN, the artist visualizes the heavy burden of growing up in an environment where one's emerging identity is pre-emptively label…

MATERIALS

Matt plexiglass
Giclée print Ultrachrome mounted on dibond with Mat plexiglas. This finish is designed for spaces with high ambient light or large windows. The matte surface diffuses light to eliminate harsh reflections, providing a sophisticated, soft-touch finish that allows the image to be viewed clearly from any angle without a "mirror effect."

Diasec Anti-Reflex
Giclée print Ultrachrome mounted on dibond with Diasec Anti-Reflex. An exhibition-grade finish that utilizes the patented Diasec® chemical bonding process. This creates a permanent, airless seal between the print and a specialized anti-reflective acrylic. It provides the structural "monolith" look of a contemporary mount while ensuring that even under heavy gallery spotlights, the focus remains entirely on the artwork's detail.

Diasec True-life
Giclée print Ultrachrome mounted on dibond with Diasec True-life. The absolute pinnacle of art production. This tier uses TruLife® acrylic, an optic-grade material similar to high-end camera lenses. It provides a stunning "liquid" depth and 3D-like colour vibrancy, while simultaneously being anti-reflective, scratch-resistant, and anti-static.

EDITIONS & PRICES

Portrait 40 × 60 cm
Limited Edition (8/8 available)

€1,850 (Incl. 9% VAT)

Portrait 40 × 60 cm
Artist Proof (AP) — 2 available

ART OPENS PEOPLES EYES AND MINDS.

Art should have an impact

The Silent Power of Vulnerability

The autonomous work of Arjan Spannenburg (born Texel, 1978) resonates internationally with curators and private collectors alike. Central to his photography is the search for identity and self-expression. Through powerful, predominantly monochrome compositions, Spannenburg portrays youth standing on the threshold of adulthood.

We witness adolescents in a transient, uncertain phase of life. These sensitive portraits capture subjects alone with their thoughts, yet they simultaneously radiate a profound need for communication with the outside world, a search for support, understanding, and love.

Gallery Representation & Exhibitions In addition to permanent representation by ZERP Galerie (Rotterdam), Spannenburg's photography has been selected for prestigious international platforms and events, including:

• Amsterdam

• Kunstlinie, Almere

• Schwules Museum, Berlin

• Paratissima, Italy

• Tongerlohuys, Roosendaal

His works are held in diverse private collections and are often seen in prominent public locations, including the City Hall of The Hague.
