RELIANT

Year: 2018

A profound exploration of the architectural tension between the physical body and the psychological shadow, captured in a singular moment of structural vulnerability.

SUMMARY

A profound exploration of the architectural tension between the physical body and the psychological shadow, captured in a singular moment of structural vulnerability. The Theatre of the Mind: Finding Your Inner Strength RELIANT is a powerful visual narrative by Arjan Spannenburg, captured within the decaying beauty of an abandoned theatre. This setting is a deliberate metaphor for those moments when the external world feels hollow or unsafe. It reflects the states of abandonment we often encounter within ourselves…

MATERIALS

Matt plexiglass
Giclée print Ultrachrome mounted on dibond with Mat plexiglas. This finish is designed for spaces with high ambient light or large windows. The matte surface diffuses light to eliminate harsh reflections, providing a sophisticated, soft-touch finish that allows the image to be viewed clearly from any angle without a "mirror effect."

The Quiet Strength of Vulnerability

The autonomous creation of Arjan Spannenburg (born Texel, 1978) resonates internationally with curators and private collectors alike. Central to his photography is the search for identity and self-expression. Through powerful, predominantly monochrome compositions, Spannenburg portrays youth standing on the threshold of adulthood.

We observe adolescents navigating a transient, uncertain phase of life. These sensitive portraits capture subjects in solitary contemplation, yet they simultaneously radiate a profound need for connection with the external world, a quest for support, understanding, and affection.

Gallery Representation & Exhibitions In addition to permanent representation by ZERP Galerie (Rotterdam), Spannenburg's photography has been selected for prestigious international platforms and events, including:

• PAN Amsterdam

• Kunstlinie, Almere

• Schwules Museum, Berlin

• Paratissima, Italy

• Tongerlohuys, Roosendaal

His creations are held in diverse private collections and are often seen in prominent public locations, including the City Hall of The Hague.
